The mission to reach out to inform our community about the importance of end of life care is paramount. Through our friend and fundraisers we connect with others and are able to support hospice families in need. Friends of Hospice financially helps to support The Children's Grieving Center, a free service to the community for children who are grieving the loss of a loved one, and the purchase of sheets and mattress pads for families in need for loved ones receiving hospice care at home. Friends also supplies tote bags for families at the Kaplan Family Hospice Residence and is also called on at other times to assist the organization in other ways. We welcome all and look forward to making new friends across Orange and Sullivan Counties.
