

Hello!

We are pleased you are interested in having your child participate in this summer's grief camp. This is a FREE 3 day-camp full of healing activities for children & youth experiencing grief. Through play, art, music, discussion, and activities, this camp provides a safe atmosphere of acceptance, understanding, and grief education. Trained Hospice Social Workers and Hospice Bereavement volunteers and YMCA staff will guide children and youth through their grief responses and facilitate effective coping skills. Grief is experienced by children in unique ways.

This is an opportunity for children and teens to share, strengthen, and experience healing. Thanks to the generosity of our sponsors, this camp is free of charge.
