Moments of Shared Experiences Continue...

By Janice Valentino

As part of a Hospice Care Team, all patients are offered a very special team member, a Hospice Volunteer. Those who accept this team member, are always grateful.

As a Hospice Volunteer and now a Veteran Volunteer, Peter Adams has had many different experiences these last eight years in his role. Pete explains, "Sometimes I have patients who do not want to talk, Jim was not like that. He is like the guy you meet in the next seat on an airplane, open to pass the time talking as he journeys to his destination."

Pete is talking about Veteran James Sullivan. When Pete first went to Jim's home for a visit, they soon found out they had a mutual interest and admiration for more than being Veterans of WWII (Jim) and Korea (Pete). "We found that we both had appreciation of the boxing era from 1945-1960. Graziano, Zale, Sugar Ray Robinson," said Pete, "We investigated things we were not sure of through the internet, finding out old info, new info, solving many questions we had about our common interest."

They really enjoyed their Friday afternoon visits, and as time went by, found out they had more in common. After Jim came back from serving, he became a Police Officer and later a Fireman in NYC, between 1952 – 1958. Jim patrolled a beat from 110th – 121st Street West, near Columbia University. Turns out, Peter, ten years his junior,

Jim Sullivan and Pete Adams

was a student there at the same time.

Wow, Peter thought, could be we both crossed each other's path all those years ago. "You never know," said Pete with a little wink, "I was always involved with something on campus."

They continue their weekly visits, Jim, "the man sitting in the next seat on a plane", as Pete first described, have become close friends and look forward to sharing both old and new experiences in life as their journey continues.

Message from the President

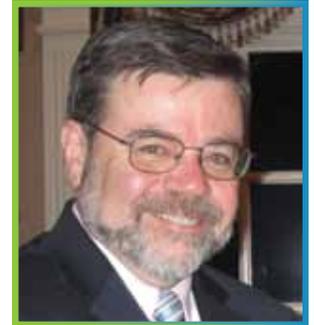

Daniel M. Grady, President and CEO

Today is a gift, as many of our patients have told us. Our Hospice patients have a better understanding of the value of the next 24 hours than the rest of us. Today, let us live for the day and be grateful to all those who sacrificed so we could be here.

November is National Hospice Month, and we in Hospice are thankful for all the patients and families who choose our services. We are grateful to everyone who welcomes our staff and volunteers into your homes and lives. By allowing us to walk with you, we received more than we gave to you. You shared your home, your lives, your loves and your fears. We are humbled and it is our honor to walk with each of you on this journey.

With Respect and Gratitude always.

Dan Grady

13th Annual Golf Classic

The Forestburgh 5K may have run its last race, but the support for Hospice Services continues! On September 19, 2019, a lovely Wine & Cheese Reception was held *raising more than \$19,000!* The event took place in a beautiful rustic venue, something you must see to believe, recently renovated by Debbie and Peter Jagel who also did the honors of hosting the event along with the Forestburgh General Store. The Forestburgh 5K Committee did yeoman's work in putting together this event as they have since the first Forestburgh 5K kicked off. The "Best Little Race of all Time" became a staple in the town that bares its name!

Hospice of Orange and Sullivan Counties, Inc. thanks Anthony and Nancy Kane, Gary Berson and Sue Goodreds who organized this fundraiser, the Jagel's who hosted the event and *all* who supported them and Hospice in making it a success –

November is Hospice Awareness Month... Don't Wait to Talk About Hospice

As we enter the Holiday Season, a wonderful opportunity is presented to us all, so turn down the volume on the game, and tell your family you want to “talk turkey,” a phrase to describe serious conversation. Give yourself and your loved ones the gift of preparation.

It's an all too common situation. A family is at the bedside of a loved one who is seriously ill and nearing the end of life. Each member of the family has a different idea of what should be done and what the patient would have wanted.

Far too many people wait until they are amid a health care crisis before thinking about what options are available or what care they or their loved ones would have wanted.

Often, by waiting too long to learn about possible options, like hospice care, people end up spending difficult days in the hospital or the emergency room and opportunities to be with loved ones at home are lost.

When a family is coping with a serious illness and a cure is no longer possible, hospice provides the type of care most people say they want at the end of life: comfort and dignity.

Considered to be the model for high-quality, compassionate care for people with a life-limiting illness, hospice care includes expert medical care, pain management, and emotional and spiritual support. Care is provided by an inter-disciplinary team of professionals and trained volunteers. The wishes of the patient and family are always at the center of care.

Care is paid for by Medicare, Medicaid, and most private insurance plans and HMOs.

To make it easier to have this discussion, we offer a wonderful printable publication called **5-Wishes** you can download on our **Community Resources** page on our website,

www.Hospiceoforange.com

In your home, or in ours, Compassion is a given.

When John Zakariassen wanted the best care for his mom, Florence Sherwood, he knew exactly where she needed to be, The Kaplan Family Hospice Residence. Peace of mind was the best gift possible for John and his family, knowing Florence was getting the comfort, dignity and respect she deserved. Thank you for allowing Hospice of Orange and Sullivan to care for your mom at our Kaplan Family Hospice Residence. This #1 Giants Fan got to meet former NFL's New York Giants punter, Sean Landeta and even got to try on that famous Superbowl ring!

*Friends of Hospice promote the importance of end of life care and the bereavement services offered by Hospice. Through our friend and fundraisers we connect with others and are able to support Hospice families in need and support The Children's Grieving Center, a free service to the community for children who are grieving the loss of a loved one. Friends also supplies tote bags, and other needs for families at the Kaplan Family Hospice Residence and called on at to assist the organization in other ways.

We accomplish this by asking for a \$25.00 donation annually to become a Friend of Hospice, and through our Annual Mum Sale and Witch Hat Party. Our continuous White Sale allows us to provide sheets for hospital beds and mattress pads for patients in need receiving hospice care at home. We look forward to growing and making new friends.
