

Hospice Volunteer Training Fall 2021

The primary role of our volunteer is to provide companionship and or caregiver relief to persons on Hospice and their families. Volunteers share skills and interests in a manner that provides comfort and enriches the quality of life for those served. Volunteers provide companionship through presence, listening to music, reading, and reminiscing, etc.

We offer various areas of volunteering within our organization, one of which is office support in both Newburgh and Middletown. Once the prospective volunteer has graduated from the training, they can provide support in the geographic location in which they reside.

All interested community members are welcome. Hospice also welcomes prospective volunteers who are Veterans, bilingual, and/or Snowbirds.
